The Accumulated Profits of the Universal, at the Forty-second Annual Investigation, in 1876, amounted to £264,038. Upwards of four-fifths of this sum is reserved to enter into the average of future years. The remaining fifth allows of a reduction of the Premium upon participating policies on the same liberal scale as for thirteen years past, namely, 50 per cent., or one-half the original premium. Policies, English or Indian, upon which the premium was originally £100, will thus be charged with £50 only of premium for the current year, May, 1876-77.

Policies in Force	£3,281,011
Accumulated Funds	1,066,845
Annual Income	169,000

The Directors beg to draw the attention of the public to the great economy of premium in this Society, to its large reserves, and to its experience of more than Forty years, during which the Policy-holders have received cash returns of £908,000, in addition to over Two Millions sterling paid in claims upon deaths in this country and amongst Officers in the Civil and Military services of India.

Branch Offices and Agencies in CALCUTTA, MADRAS, BOMBAY, and CEYLON.

Dysentery, Cholera, Fever, Ague, Coughs, Colds, &c.

DR. J. COLLIS BROWNE'S

(Ex Army Med. Staff)

CHLORODYNE

IS THE ORIGINAL AND ONLY GENUINE.

CAUTION.—Vice-Chancellor Sir W. P. Wood stated that Dr. COLLIS BROWNE was undoubtedly the Inventor of CHLORODYNE: that the story of the Defendant, Freeman, being the Inventor, was deliberately untrue, which he regretted had been sworn to. Eminent Hospital Physicians of London stated that Dr. J. Collis Browne was the discoverer of Chlorodyne; that they prescribe it largely, and mean no other than Dr. Browne's.—See *Times*, July 12, 1864.

The Public, therefore, are cautioned against using any other than

DR. J. COLLIS BROWNE'S CHLORODYNE.

REMEDIAL USES AND ACTION.

This INVALUABLE REMEDY produces quiet refreshing sleep, relieves pain, calms the system, restores the deranged functions, and stimulates healthy action of the secretions of the body, without creating any of those unpleasant results attending the use of opium. Old and young may take it at all hours and times when requisite. Thousands of persons testify to its marvellous good effects and wonderful cures, while Medical men extol its virtues most extensively, using it in great quantities in the following diseases:—

Diseases in which it is found eminently useful—Cholera, Dysentery, Diarrhœa, Colics, Coughs, Asthma, Rheumatism, Neuralgia, Whooping Cough, Cramp, Hysteria, &c.

EXTRACTS FROM MEDICAL OPINIONS.

The Right Hon. Earl Russell communicated to the College of Physicians and J. T. Davenport that he had received information to the effect that the only remedy of any service in Cholera was Chlorodyne.—See *Lancet*, Dec. 31, 1864.

From A. Montgomery, Esq., late Inspector of Hospitals, Bombay.—"Chlorodyne is a most valuable remedy in Neuralgia, Asthma, and Dysentery. To it I fairly owe my restoration to health, after eighteen months' severe suffering, and when other remedies had failed."

Extract from *Medical Times*, Jan. 12, 1866.—"Chlorodyne is prescribed by scores of orthodox medical practitioners. Of course it would not thus be singularly popular did it not 'supply a want and fill a place.'"

Extract from the General Board of Health, London, as to its efficacy in Cholera.—"So strongly are we convinced of the immense value of this remedy, that we cannot too forcibly urge the necessity of adopting it in all cases."

CAUTION.—None genuine without the words "Dr. J. Collis Browne" on the Government stamp. Overwhelming medical testimony accompanies each bottle.

BROAD ARROW.

ESTABLISHED 1868. *PRICE SIXPENCE.*

THE BEST PAPER FOR FIRST-CLASS ADVERTISEMENTS.

NOTICE TO ADVERTISERS.

The **BROAD ARROW** has long had by far the *largest circulation* of all the *Military Papers*.

This results from the high character it has always sustained for early and exclusive intelligence, for the earnest support of all measures for the good of the Services, and the high tone and independent course of its staff of writers (for the most part officers of rank and experience, or men of note in literature who have made the naval and military affairs of the country their special study).

The circulation has been estimated to be larger than that of all the other military papers; but it is not only among the officers of the British Army and Navy alone that this extensive circulation could be obtained.

The **BROAD ARROW** circulates largely throughout India and the Colonies: not only among Government officers, but among civilians interested in the matter of local defence. It is also read extensively by officers of the German, French, and American Army especially, and by foreign officials who desire to acquire a true impression of facts and public opinion in England regarding Military affairs.

The **BROAD ARROW** is also circulated largely among the wealthy, influential classes of civilians who have relations serving in the Regular Forces, or in the Militia, Yeomanry, or Volunteers.

The preference of the **BROAD ARROW** by this very large class of readers is doubtless caused by the fact that the paper has always taken a broad view of its duties, and placed the safety of the country first, the good of the Services second in consideration.

Whatever may be the cause of the unprecedented large circulation, high character, and influence of the **BROAD ARROW**, it is undoubtedly well worthy of selection by advertisers who address themselves to the best class of readers among the most wealthy and influential families interested in Military matters, both at home and abroad.

Provided that no privilege leave can be earned by an officer by duty done, while three months' such leave are due to him; and that, whenever duty is interrupted, all claim to privilege leave earned theretofore is forfeited.

(*c*) The privilege leave due to an officer is the privilege leave which he has earned, less the period during which he has been absent on privilege leave.

(*d*) Absence on privilege leave, though not counting as duty, is not an interruption of duty within the meaning of this chapter.

To uncovenanted judicial and educational officers whose duties are not continuous, and who enjoy regular vacations during which they are allowed to be absent from duty, privilege leave is not admissible, except in case of urgent necessity. The local Government, may, with the sanction of the Government of India, impose like restriction in the case of covenanted officers.

Though not absolutely debarred by this declaration from applying to retire or to take such leave within the three months, he should, if he does so, explain his change of mind.

23. An officer on privilege leave has a lien on his substantive appointment. He has also a lien on his officiating appointment, so long as it is not resumed by an officer having a superior lien on it.

24. An officer on privilege leave is entitled to a leave allowance equal to the pay or salary which he would earn if he held or officiated in the appointment on which he has a lien.

CHAPTER IX.

EXTENSION AND COMMUTATION OF LEAVE.

25. Except as provided in Section 18, no kind of leave can be granted in continuation of any other kind; but any leave may be retrospectively changed for any other kind or amount of leave which might at first have been granted: provided that the grant, or extension, of furlough under this rule (otherwise than on medical certificate) is subject to Proviso 3 in Section 10 (*a*).

CHAPTER X.

1. An officer embarking on furlough or special leave must take with him a last pay-certificate, whether he intends to draw his allowances in England or not.

(*b*) If payment be taken at the home treasury it is made quarterly, and rupees are converted into sterling at the rate of exchange fixed, for the time being, for financial transactions between the Imperial and the Indian Treasuries.

1. Payment is made from the home treasury as follows:—

CHAPTER XII.

RETURN TO DUTY.

27. An officer who remains absent after the end of his leave is entitled to no allowance for the period of such absence, and he ceases to have a lien on any appointment, if his leave was furlough, immediately, and if it was special or privilege leave, after a week.

An officer on furlough or special leave in Europe may not return to India, without obtaining the permission of the secretary of state. He must apply for this permission at least three months before the end of his leave.

CHAPTER XIII.

APPLICATIONS FOR LEAVE.

28. Every application for leave is to be submitted to the local Government, which will deal with it in such manner as the Governor-General in Council may prescribe.

29. If under the operation of Proviso 3, Section 10 (*a*), the applications for furlough (including those under Section 25) cannot all be complied with, furlough will be granted in the following order:—

(*b*) These rules apply fully only to those whose pay is not less than one hundred rupees a month. 2. In these rules, "pay" means substantive monthly pay; "salary" means the sum of monthly pay and acting allowance. Personal allowance is to be taken as part of an officer's substantive pay.
"Average salary" means the average salary for a month calculated for so much of the three years immediately preceding the day on which the officer gives up office, as he has passed on duty, or on privilege leave. But, whenever leave is taken for not more than one month, or, whenever the officer's pay is less than three hundred rupees, the pay of the officer's appointment at the time he gives up office is to be taken in lieu of his "average salary."
"Half average salary" is always subject to a maximum of Rs. 500 a month if paid in India, and £150 a quarter if paid at the home treasury of the Government of India.
"One quarter average salary" is always subject to a maximum of Rs. 400 a month if paid in India, and £120 a quarter if paid at the home treasury.

8. An officer on furlough is entitled to half of his average salary.

LEAVE WITHOUT ALLOWANCES.

9. Leave without allowances may, in cases of necessity, be granted for such time as may be necessary. Time spent on leave under this section does not count as service for other leave.

1. There is no limit to the length or frequency of leave under this section, and it may be granted in continuation of leave on medical certificate, or furlough, but not in continuation of leave on private affairs, or of privilege leave.

SUBSIDIARY LEAVE.

10. Subsidiary leave for such time as may be sufficient may be added to leave on medical certificate, leave on private affairs, or furlough, when taken out of India, as prescribed in Section 18 of the code. Fourteen days only are allowed to an officer at a presidency town, who takes leave on medical certificate, leave on private affairs, or furlough out of India, and embarks or debarks, as the case may be, at this town. EXAMINATION LEAVE.

13. An officer permitted to present himself at any examination which must be passed before a person is eligible for a higher subordinate appointment, such as a deputy-magistracy, may, under the orders of the local Government, be allowed leave of absence for the number of days which is actually necessary to enable him to attend at the examination. During this absence, which is expected to be short, no deduction will be made from the officer's allowances, unless the head of the office finds such deduction necessary to enable him to make arrangements for carrying on the work. Such leave should not be allowed more than twice for each standard of examination.

GENERAL.

14. Leave on private affairs and furlough cannot be taken in continuation of any leave except subsidiary leave; but any leave may be retrospectively changed for any other kind or amount of leave which might at first have been granted; and, if an officer absent on privilege leave, or on leave on private affairs, or on furlough, take extension of leave on medical certificate, the whole of the absence will be treated as leave on medical certificate.

15. No officer's appointment becomes vacant, simply by reason of his taking leave under these rules. But absence without leave, or after the end of leave (excepting privilege leave, in which case a week's grace is allowed) involves loss of appointment; and after five years' continuous absence, whether with or without leave, an officer is considered to be out of Government employ.

APPLICATIONS FOR LEAVE.

16. (*a*) Leave may be granted to an officer by the authority whose duty it would be to fill up his appointment if vacant. The local Government may empower heads of departments to grant privilege leave to officers under their orders, who are appointed by Government; but if the officer, to whom leave is granted, be a gazetted officer, the grant of leave must be reported to the local Government.

EXTRACTS FROM THE CIVIL PENSION CODE, SHOWING THE CHIEF RULES APPLICABLE TO UNCOVENANTED SERVANTS IN THE SUPERIOR DEPARTMENTS OF GOVERNMENT IN INDIA.

(*d*) Members of the Bengal pilot service.

5. An officer's claim to pension or gratuity is governed by the rules in force at the time when he resigns or is discharged from the service of Government.

10. Service under a covenant which contains no stipulation regarding pension or gratuity does not qualify, unless the Government of India specially permits it to qualify.

17. Service qualifies only if the officer holds a substantive office on a permanent establishment.

2. An officer officiating in an office which is vacant, or of which the permanent incumbent does not draw any part of the pay, may, if he is confirmed without break of continuity, count service as if he had held the office substantively.

41. Periods of absence on leave other than privilege or subsidiary leave are not reckoned as service. Leave subsidiary to leave on medical certificate is not reckoned as service in the case of an officer who has twice before had leave on medical certificate beyond India.

44. A break in the continuity of service entails forfeiture of past service, except in the following cases:

(*a*) Authorised leave.
(*b*) Absence prolonged after the end of leave: provided that if an officer remains absent for more than a week after the end of privilege leave, his past services are forfeited, unless the authority whose duty it is to make the appointment re-appoints the officer, and makes a declaration that his past services, or part of them, shall qualify. If he remains absent for more than a

month, his past services cannot count without a special order by the Government of India.

(*a*) Compensation pensions and gratuities.
(*b*) Invalid pensions and gratuities.
(*c*) Superannuation pensions and gratuities.
(*d*) Retiring pensions.

47. A compensation pension or gratuity is awarded to an officer discharged from the public service because, on a reduction of establishment, his appointment is abolished.

49. An invalid pension or gratuity is awarded to an officer who, by bodily or mental infirmity, is permanently incapacitated—

(*a*) For the public service, or
(*b*) For the particular branch of it to which he belongs.

50. If the officer applying for pension or gratuity is sixty years old or upwards, no certificate by a medical officer is necessary. It will suffice for the head of the office to certify to the incapacity of the applicant.

52. If the incapacity is the result of irregular or intemperate habits, pension or gratuity cannot be granted. Otherwise, it is for the local Government to decide whether the officer's incapacity is such as to render it necessary to admit him to invalid pension or gratuity.

53. A superannuation pension or gratuity is granted to an officer compelled, by rule, to retire at a particular age.

An officer in a superior grade who has attained the age of fifty-five years may be required to retire, unless the local Government considers him efficient, and permits him to remain in the service. No officer can claim to retire on the ground that he is fifty-five years old.

54. A retiring pension is granted to an officer who voluntarily retires after completing the requisite period of service.

56. Compensation and invalid pension and gratuity:

(*a*) After a service of less than fifteen years—
A gratuity not exceeding (except in special cases and under the orders of the Government of India) one month's emoluments for each completed year of service; and not, under any circumstances, exceeding twelve months' emoluments in all,

Broken periods of a year are not to be taken into account in calculating the amount of any gratuity admissible to an officer under any rule in the code.

(*b*) After a service of fifteen years, and less than twenty-five years—
Pension not exceeding one-third of the officer's average emoluments; and also, not exceeding Rs. 3,000 a year, or, if his average emoluments do not exceed Rs. 12,000 a year, Rs. 2,000 a year.

(*c*) After a service of twenty-five years—
Pension not exceeding one-half of the officer's average emoluments; and also, not exceeding Rs. 5,000 a year, or, if his average emoluments do not exceed Rs. 12,000 a year, Rs. 4,000 a year.

57. Superannuation pension and gratuity:

The same in amount as invalid pension or gratuity:

Provided, that if an officer's qualifying service began after the 20th January, 1871, and after he attained the age of 25 years, the pension admissible as invalid pension is to be multiplied by a fraction, the numerator of which is the number of years' service completed, not exceeding 30, and the denominator of which is 30. The limit of Rs. 2,000, Rs. 3,000, Rs. 4,000, or Rs 5,000 is to be applied before, and not after, this multiplication.

58. Retiring pension:

After service of thirty years,—The same in amount as the invalid pension admissible after twenty-five years' service.

60. The full pension or gratuity admissible under the rules is not to be given as a matter of course, or unless the service rendered has been really approved.

If the service has not been thoroughly satisfactory the local Government should make such reduction in the amount of pension or gratuity as it thinks proper.

61. To the following officers pension is admissible after three years less service than is required from other officers, provided that they began service after twenty-five years of age:—

(1) Directors of Public Instruction, inspectors of schools, principals and professors of colleges, and head-masters of schools and colleges.

(2) Barristers of England or Ireland, or members of the faculty of Advocates of the Court of Session of Scotland, serving in offices to which the local Government has, with the consent of the Government of India, declared it to be necessary to appoint barristers of England or Ireland, or members of the faculty of Advocates of the Court of Session of Scotland.

To entitle an officer to the benefit of this rule, the whole of the service for which pension is claimed must have been passed in one or other of the offices indicated.

66. (*a*) The words "pay" and "emoluments" used in Sections 56, 57, and 58 mean the pay and emoluments which the officer was receiving at the time of his retirement from service.

(*b*) "Average emoluments" means the average calculated upon the last five years of service,

67. (*a*) In the term "emoluments" are included the following:—
(1) Pay of substantive appointment;
(2) Personal allowance;
(3) Fees or commission, if they are the authorised emoluments of an appointment, and are *in addition* to a substantive pay, and commission in the case of a thoogyee.

MILITARY FURLOUGH REGULATIONS OF 1796.

Officers (of whatever rank) must be ten years in India before they can be entitled (except in cases of certified sickness, and as hereafter specified) to their rotation to be absent on furlough, and the same rule is applicable to assistant surgeons and veterinary surgeons. The furlough to be granted by the commander-in-chief at each presidency, with the approbation of the respective governments.

Officers who have not served ten years in India, but whose presence in England is required by urgent private affairs, may be allowed a furlough for one year without pay

Officers coming to England on furlough are required immediately to report their arrival by letter, with their address, forwarding at the same time the certificates they received in India.

The period of furlough is three years, reckoning from its date to the day of the return of the officer to his presidency.

Officers are required to join the establishment to which they belong at the expiration of the three years' furlough, unless they shall have obtained an extension of leave, six months before the expiration of that period. No furlough will be extended, except in cases of sickness, certified in the manner hereafter mentioned; or in cases in which it shall be proved that a further residence in Europe is indispensably necessary.

All officers finding it necessary to solicit a further leave of absence on account of sickness, must, if resident in London or its vicinity, appear before the Medical Board appointed for that purpose, who will report their opinion on the state of such officer's health. And if resident in the country in any part of the United Kingdom, they must transmit with their letter of application for such leave, a certificate according to the following form, signed by at least two gentlemen, eminent in the medical profession, viz.:—

I hereby certify that I have carefully examined (state the nature of the case, as well as the name of the party), and I declare, upon my honour, that, according to the best of my judgment and belief, is at present unfit for military duty, and that it is absolutely necessary, for the recovery of his health, that he should remain at least longer in this country.

Also, previously to such extension of furlough being granted, such further proof shall be adduced by personal examination or by such other evidence as shall be deemed satisfactory.

Officers abroad in any part of Europe, applying to remain a further time from their duty on account of sickness, are to furnish a certificate of two eminent physicians, *in the above form*, with the attestation of a magistrate, that the persons who signed the certificate are physicians.

Officers having obtained an extension of furlough to a given period, must at its expiration apply for permission either to return to their duty or to reside a further time in England.

In every case in which an officer has had his furlough extended beyond the prescribed period on the ground of his health not being sufficiently restored, and shall apply for permission to return to his duty, he shall produce a certificate from the examining physician that his health is completely re-established, and that there is every probability of his being able to perform the active duties of his profession in India.

No officer who has failed to obtain an extension of furlough will be considered eligible to return to the service after five years' absence, under the Act of 33 Geo. III. cap. 52, sec. 70.

Every officer upon leaving India will receive a printed copy of the General Order on this subject, published agreeably to the instruction of the Secretary of State for India in Council, and the plea of ignorance of the regulations will not be admitted as any justification of the breach of them; officers, therefore, who shall come home on furlough, and who shall not in due time apply, so as to effect their return to the Presidency to which they belong within the period of three years from the commencement of their furlough, will subject themselves to the loss of the service, unless they shall be permitted to remain a further time in Europe.

No officer on furlough can receive pay for more than two years and a half from the period of his quitting India until he returns, excepting colonels of regiments and general officers; the latter are then allowed to draw the pay of their brevet rank beyond the above period.

MILITARY FURLOUGH REGULATIONS.—Nov. 17, 1854.

With the view of adapting the regulations to the present increased facilities of communication, and to correct, as far as possible, any tendency in them to deter officers from resorting to the places which may be most conducive to the restoration of their health, when a change of climate is required for that purpose, the following rules are established, and are to have effect from the 1st February, 1854:—

1. All regimental officers in the service on the 1st February, 1854, who prefer retaining what may be considered the advantages of the old regulations, may do so, provided they signify their wish to that effect when they next apply for furlough or leave of absence, without any limitation whether such leave be in India or elsewhere; and officers who once make their election will not be entitled to any other choice, but will be afterwards subject to the new or old regulations, according to their decisions.

2. Staff officers, as such, have not the above option allowed them, but they may retain the advantages of the old regulations by giving up their appointments, which, in such cases, will be considered vacated from the date of embarkation.

3. To those officers who adopt them, the new regulations will apply retrospectively in respect of furlough and leave of absence beyond sea, and in computing their time of service for retirement, so that their furloughs or leaves of absence, whether under the old or the new rules, and whether on private affairs or sick certificate, within or beyond India, will count for service to the authorized extent only, in computing the time for retirement on full pay.

4. Officers who have availed themselves of the option of the old rules are allowed to reconsider the question under the modifications now sanctioned.

5. Officers who have not taken leave subsequent to the publication of the new rules on the 1st February, 1854, and who, consequently, may not have been called upon to declare whether they would abide by the old or the new regulations, will, on retirement from the service, be entitled to take full advantage of the privileges given by the new regulations.

FURLOUGHS ON PRIVATE AFFAIRS.

6. Every officer will be allowed a furlough to Europe, or elsewhere beyond sea, for a period of two years at the expiration of ten years' service, and for a second period of two years after twenty years' service in India.

7. The second furlough of two years will only be granted after ten years' service in India, from the date of the return to duty after the first furlough of two years. These furloughs are not to be cumulative, under any circumstances, but are limited to two years. Officers who have taken leave of absence on sick certificate to Europe, or elsewhere beyond sea, will be ineligible to a

furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leaves to sea.

Officers who take their first furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their first return to duty. (G.O. 16 June, 1856.)

8. All grants of furlough on private affairs are subject to the exigencies of the public service, and to the regulations framed for and preservation of the efficiency of each regiment by limiting the number of absentees.

9. Officers holding staff or other detached appointments, may be allowed furlough for a period of six months without losing their appointments; but, during that period, they will not be entitled to any portion of their staff salary, which will be drawn in full by the officers officiating for them.

Absence for six months under this rule does not preclude an officer from taking his furlough to Europe after ten years' service. (G.O. 16 June, 1856.)

10. All officers, whether staff or regimental, while on furlough on private affairs, will be entitled to "Furlough Pay" only.

LEAVE OF ABSENCE ON SICK CERTIFICATE.

11. Leave of absence on sick certificate will be granted for a term not exceeding eighteen months, whether it be to any place in Europe, or elsewhere out of India.

12. Extension of such leave may be granted, as at present, on production of medical certificates, for further periods not exceeding eighteen months in the whole.

13. An officer holding a staff or other detached appointment, will be allowed to be absent on sick certificate in England, or elsewhere beyond sea, for a period of twenty months, without losing his appointment; and, during the first six months only of such absence, he will be entitled to draw half the staff salary of his appointment, the officer officiating for him drawing the remaining half salary during the first six months, and the whole salary during the remainder of the time.

14. An officer's claim to half staff salary for six months, as sanctioned in the preceding rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.

15. No portion of command allowance, medical staff salary, or other similar allowance, which under the old rules was inadmissible to officers absent from their corps or stations, at the Cape or elsewhere, will be allowed to absent officers under these regulations.

16. All officers, whether staff or regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian pay and allowances as was allowed under the old regulations to officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive furlough pay only.

17. If the leave on sick certificate be extended, furlough pay will be continued; but under no circumstances for a longer period than three years altogether, from the commencement of the absence.

STAFF OFFICERS.

18. The term, "staff officers," applies to all officers holding staff or detached appointments, military (general or regimental), political, or civil; also to general officers commanding divisions, members of the Medical Board, superintending surgeons, and others who, under the old rules, were entitled to draw half staff allowance when absent at the Cape.

19. Staff officers absent on leave beyond the periods stated in Rules 9 and 13 respectively, cannot retain their appointments and allowances except on special grounds to be sanctioned by the Government of the presidency. Any such special grant of leave is to be reported at once, with the reasons for it, and to be subject to approbation.

20. The privilege of retaining staff appointments during leave of absence on sick certificate, or on furlough on private affairs will not be available a second time, if the fresh leave is on sick certificate, until an officer has been three years, or, if on private affairs, until he has been six years, in the discharge of the duties of his appointment, from the date of last return to it.

21. This rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs, in India, or for brief periods to Ceylon, the Mauritius, or other places out of India.

22. Officers commanding troops of Horse Artillery and Light Field Batteries, and officers generally in employment, will be allowed leave out of India under the same rules with respect to allowance and tenure of command or office, as regulated the grant of leave to the Cape to such officers under the old regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the new regulations.

DATE OF FURLOUGH AND ADVANCES OF PAY.

23. The period of furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the officer proceeds.

24. Advances of pay and allowances, staff and regimental, to officers proceeding on leave of absence on sick certificate, who may be entitled to them, will be made in India for three months from date of embarkation. Payments in continuation will be made in England at the rates of exchange fixed annually for repayment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by officers obtaining furlough on private affairs.

25. The existing regulations regarding passage-money to officers are not affected by these rules.

26. The certificates issued to officers who are granted furloughs on private affairs, or leave of absence on sick certificate, are to specify the time each officer has been absent on leave within Indian limits, as well as the time of his previous absence in Europe; but will not include the periods allowed for proceeding to the presidency or port of embarkation, and to enable officers to rejoin their regiments or stations after their return to India, nor the leave of one month's absence in six months, as authorized by the regulations. The last pay certificate of all officers proceeding to England on sick certificate is to specify the rate of regimental pay and allowances and staff salary to which they would have been entitled under the old regulations if proceeding to sea on medical certificate. This information is necessary in order that no difficulty may arise in the Pay Department of the India Office in adjusting the several payments which may be due.

OFFICERS OF H.M.'S SERVICE.

27. Officers of Her Majesty's service in India, whether employed regimentally or in staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of officers of Her Majesty's service on furlough or sick certificate, in England or elsewhere, who may retire or exchange into regiments not on the Indian establishment, the grant to these officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

PERIODS OF ABSENCE ALLOWED TO BE COUNTED AS SERVICE FOR RETIRING PENSIONS.

29. In order that all officers quitting India on furlough or sick certificate may be placed on an exact equality as regards loss of time, the period allowed by regulation for proceeding to the presidency, or to the nearest port of embarkation, as well as the time to enable officers to rejoin their corps or station after their return to India, will be considered as time counting for service for the retiring pension.

30. No furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-five years' service, and four years in thirty years' service, shall be allowed to count as service for the retiring pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs.

Digitized by Google

31. In the term "Leave of Absence as announced in General Orders," is to be included all leave of absence, except the period allowed in Rule 29, and the ordinary indulgence of one month's leave in six months, as authorized by the existing regulations, and which are, in all cases, whether of regimental or staff officers, to be allowed to count as service for the pension. All leave to a greater extent, granted by political and other authorities, which may not hitherto have been published in General Orders, must be so announced hereafter.

32. Officers to be entitled to retire on the full pay of their regimental rank (under the regulations of 1796), must have served twenty-two years in India, out of which leaves of absence for two years in the aggregate, and not more, will be allowed to count as service for the retiring pension.

33. Officers to be entitled to retire on the full pay of captains and majors (under the regulations of 1835–37) must have served twenty and twenty-four years respectively; out of which time leaves of absence for two years in the aggregate, and not more will be allowed to count as service.

34. Officers to be entitled to retire as lieutenant-colonels must have served twenty-eight years; out of which leaves of absence for three years in the aggregate, and not more, will be allowed to count as service.

35. Officers to be entitled to retire as colonels must have served thirty-two years; out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

36. The scale for medical officers and veterinary surgeons of privileged furlough and leave of absence as counting for the retiring pension, will be as follows:—

Years.	Months.	
1	8	in 17 & under 20 years' service
2	0	in 20 ,, 25 ,,
3	0	in 25 ,, 30 ,,
4	0	in 30 ,, 35 ,,
5	0	in 35 ,, 38 ,,
6	0	in 38 years' service.

37. It is to be distinctly understood, that under no circumstances whatever will an officer be permitted to retire on full pay until he has completed the *full time of service* above specified, whether he be in England at the close of his service or elsewhere.

38. The privileged time of absence may, with the permission of the local government, be taken at any time, subject to these regulations. If, therefore, at the end of twenty years' service, of which eighteen had been passed on actual duty in India, an officer should be on furlough or sick certificate in Europe or elsewhere, he will be entitled to retire on the full pay of a captain without returning to India, and so in the other terms of service for the higher pensions. In like manner, a medical officer on furlough or sick certificate, in Europe or elsewhere, at the end of seventeen years' service, fifteen years and four months of which have been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

39. These rules do not in any way affect the existing regulations regarding the grant of leave in India, or for short periods to sea, whether on private affairs or on sick certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

INDIAN MILITARY FURLOUGH RULES OF 1868.

FURLOUGH.

The following General Order by the Government of India, dated 25th February, 1874 No. 171, is republished:—

"No. 171 of 1874.—The Furlough Rules of 1868, as revised by various subsequent decisions, are republished for general information; and in future this General Order shall ordinarily be referred to in any matter depending on those rules. The rules previously in force will be designated, as heretofore, the Furlough Rules of 1796 and 1854.

The following G. G. O. are cancelled prospectively from the 1st January, 1875:—

G. G. O. No. 630 of 1869 (1st clause).
G. G. O. No. 627 of 1870.
G. G. O. No. 613 of 1871.

2. These rules are applicable to all officers who, on the 1st July, 1868, belonged to the several Indian Staff Corps, or to the Indian Army, and who have elected, or may elect, to adopt them: officers of the British Army who entered the Staff Corps after that date are of course subject to them.

Rules apply to Officers of Staff Corps and Indian Army.

In regard to the periods of leave of absence during which appointments may be held, and in regard to the increased allowances they are also applicable to officers of the Royal Artillery and Royal Engineers, late of the Indian Army, holding permanent staff appointments not of a regimental nature, and to such officers of the Engineers of the Imperial Establishment as may be permanently employed on the staff in India.

Also to Officers of R. A. and R. E., late of Indian Army, when holding permanent non-regimental appointments.

But should an officer of the British Service, holding such permanent staff appointment, be allowed to proceed on leave under circumstances which, by these rules, would involve loss of appointment, he cannot take leave under them, but simply as a British Officer holding no appointment.

3. These rules are not applicable to officers on the Invalid or Invalid Pension Establishment, even if previous to their transfer they should have elected them, being intended solely for officers on the effective list.

Do not apply to Invalid Officers.

4. They are not applicable to Regimental Officers generally of the British Service, whether formerly belonging to the Indian Army, and now in the Royal Artillery, Royal Engineers, and new Line Regiments, or on the old Line Establishment: nor are they applicable to officers of the British Army holding staff appointments the tenure of which is limited to five years, except in the sense in which the rules of 1854 were made applicable, viz., as regulating the amount of absentee allowance to be granted to such officers holding staff appointments, when they are absent on furlough on medical certificate. Officers of the British Medical Staff are not entitled to this advantage.

Nor to Regimental Officers of the British Service, even though formerly of Indian Army.

Only partially to Officers of the British Service holding 5-year appointments.

Do not apply to Officers of the British Medical Staff.

5. They are applicable to Officers of the Royal Engineers on the Imperial Establishment, who are employed in the Public Works Department, or who are receiving a staff salary as on the fixed establishment of the Sappers and Miners; these will count service towards furlough from the date of their arrival in India.

Apply to R. E. Officers on the Imperial list, holding permanent non-regimental staff appointments.

These officers, therefore, and other Royal Engineer Officers of the Imperial list on permanent staff employ under the Government, will be entitled to a furlough of two years after eight years' service in India, or at the expiration of one year from the date of their return (for a second tour of service in India) on the completion of the prescribed home service after the first period of seven years' service in India.

Digitized by Google

The English rate of pay of his rank only will be passed to such an officer during this leave; but on his return to India for a second tour of service the difference between that pay and "Furlough Pay" will be admitted to him; and if he should not return to India, his passage money to England will be paid to him.

Pay allowed them during furlough.

Royal Engineer Officers on the Imperial Establishment, who are merely doing duty with, or attached to, the Sappers and Miners but not on the fixed establishment and drawing staff salary, will in regard to these rules, be on the footing of Regimental Officers of the British Service—see preceding paragraph. If, however, they afterwards accept staff employ, they also will count their service for furlough from date of arrival in India.

Rules apply to R. E. Officers of the Imperial list on the fixed staff establishments of Sappers and Miners.

6. Officers of British Regiments who may join the Staff Corps, can count as service towards furlough all their military service in India, provided that half of it (in no case less than four years) shall have been passed in the Staff Corps. But any leave to England they may have taken during service so counted will be reckoned as furlough already taken. Officers of the British Service who formerly belonged to the Indian Armies are exempted from the above proviso.

Previous service of Officers of the British Service who join Staff Corps, how reckoned towards furlough.

7. These rules apply also to all Warrant Officers holding Veteran or Honorary Commissions, who may elect them; the period of service qualifying for furlough being calculated from the date of the attainment of a Commission. They will receive during furlough half their total receipts, calculated as laid down in Rule V., but without any reference to a minimum or maximum rate. Warrant Officers not holding Commissions can obtain furlough under these rules on only on medical certificate. Such furlough may be for two years with retention of appointment and half of the aggregate allowances; but any extension of such leave (which will not be granted for more than one year in excess of the two years) or any leave taken within less than three years from the date of last return to duty, will be on "English furlough pay." [See Note to para. 9.]

Rules apply to Warrant Officers with Hony. Commissions.

Their pay.

Warrant Officers without Commissions can take furlough on medical certificate only, under these rules.

8. Every Warrant Officer who attained warrant rank before the 19th February, 1869, and who has not made his election, will be required, on the first occasion of his applying for leave out of India, to state whether he desires to take the leave under these rules, or under those previously in force applicable to Warrant Officers, viz., G. G. O. Nos. 518 and 531 of 1854, G. G. O. No. 1559 of 1857, and subsequent orders. That election will be considered final.

Warrant Officers who were so before 19th February, 1869, to elect on first applying for leave.

Those who became Warrant Officers after 19th February, 1869, are subject to these rules, and cannot elect any of the previous rules

Leave on medical certificate on Indian pay and allowances to places eastward of the Cape, as allowed to Commissioned Officers under the Furlough Rules of 1796 is not in any case admissible to a Warrant Officer.

Rules apply to Medical as to other Warrant Officers.

These rules respecting Warrant Officers apply to Honorary Assistant Surgeons and Warrant Officers in the Medical Department.

9. The term "Furlough Pay" having now a changed and twofold signification, in all future orders and references "Furlough Pay" will be understood as the half Indian salary within the prescribed limits specified in paragraph 5 of these rules, converted at the rate of exchange fixed by the Secretary of State for the official year, whilst "English Furlough Pay" will represent the rates heretofore allowed to the several grades as English pay under the rules of 1796 and 1854

Meaning of "Furlough Pay" and "English Furlough Pay."

NOTE.—Where in these Rules English furlough pay is mentioned as that to which an officer is to be restricted, the rates laid down in paragraph 11 of G. G. O. No. 69, dated 22nd January, 1868, and (for Medical Warrant Officers) paragraph 22 of G. G. O. No. 550 of 1868, are to be understood as intended in the cases of Warrant Officers.

"English Furlough Pay" of Warrant Officers.

RULES.

I.—The distinction with respect to allowances which has been hitherto drawn between furlough on private affairs and sick leave, is abolished both kinds of leave being included under the general term *furlough*, provision, however, being made for the obtainment of furlough under medical certificate, without all the restrictions applicable to furlough when taken without medical certificate.

Assimilation of allowances on furlough on private affairs and medical certificate.

II. Leave taken under the rules now prescribed will not involve forfeiture of appointment, except in the cases herein specially provided for.

Officers of the Staff Corps and local Indian Service, and Officers on the General List, can retain their appointments during *all* leave of absence granted by competent authority. But their pay during such absence will be the same as they would obtain under these rules had this exemption from forfeiture of appointment not been granted.

Certain officers retain appointments during all leave duly granted.

III.—The Rules now prescribed do not affect the provisions of Act XXXIII. of George III., Chapter 52, Section 70;* but an absentee cannot retain his appointment and

Absence from India for more than 5 years bars return to duty as formerly.

draw absentee allowances, except under the rules now prescribed. Nor do they affect the regulations by which General Officers Commanding Divisions and Brigades can only obtain limited periods of leave without forfeiting their Commands.

IV.—Leave of absence will in future be of three kinds, viz.:—

I. Furlough in or out of India.
II. General leave on private affairs or sick certificate in India, or short leave to sea.
III.- Privilege leave.

Chapter I.

Furlough.

V.—An officer drawing staff pay in addition to pay of rank, proceeding on furlough, will be allowed pay at the rate of 50 per cent. of the salary of his substantive office.

Furlough pay, how reckoned.

But an officer in civil employ and drawing consolidated salary, will be allowed 50 per cent. of the average salary during the three years prior to his proceeding on furlough, or during his actual service in India should that be less than three years; and the time spent and the allowances drawn during any leave "other than privilege leave," will be omitted in the calculation of average salary.

No absentee shall in either case draw more than £1,000, or less than £250 per annum.

The term "salary" will signify the total amount drawn by an officer, whether as consolidated pay, or staff allowances in addition to pay, but will not include any extra or special allowances. But in the case of a military officer in civil employ, his acting allowances shall be taken into account as a part of his salary in calculating his furlough pay.

Meaning of term "Salary."

§ 2. An officer absent on furlough, who may be transferred to another office during his absence, shall be entitled, for the entire period of his furlough, to furlough pay at the rate sanctioned to him when leaving India, whatever the salary of the office to which he may be transferred may be. This furlough pay will be continued to an officer in military employ after his return to India and until he joins his appointment, provided it is not less than the military pay, or pay and allowances, of his rank.

Pay of Officers transferred to other appointments during furlough.

But an officer whose term of office shall lapse, who shall vacate his appointment, or whose appointment shall be abolished during his furlough, will revert at once to the furlough pay which he would draw in virtue of his rank, as laid down below, in § 4. Any case of sudden abolition of appointment may, however, be specially considered in the department of the Government under which the officer may have been employed. An officer will also be entitled to the benefit of his promotion to a higher Staff Corps or regimental rank, whilst on furlough, subject to the maximum limit.

Pay when the appointment lapses, or is vacated during furlough.

Pay of officers promoted during furlough.

§ 3. Officers holding regimental medical charges will be allowed to retain such charges during the authorized periods of furlough, as if they were medical staff appointments. And the difference between the unemployed* grade pay of the officer holding the substantive charge and the consolidated salary of the charge will be considered the staff salary divisible between the absentee and the officer officiating for him.

Regimental medical charges retained during furlough.

* *G. G.O. No.* 1060 *of* 23*rd Dec.* 1864, *para.* 29.

G. G. O. No. 370 *of* 4*th April*, 1867, *para.* 9.

The staff salary how divided.

§ 4. Officers not in staff employ will receive half the Indian pay of their rank, provided that an officer entitled to furlough shall in no case receive less than the above minimum of £250 per annum.

Minimum furlough pay.

NOTE.—Officers who may be entitled to income allowance from the Military Fund during absence in Europe, will draw their half salary or minimum absentee allowance under the foregoing clause, subject to a deduction equivalent to the amount of such income allowance.

VI.—All grants of furlough on private affairs are subject to the exigencies of the public service,—of which exigency the Government is to be exclusively the judge,—and to any regulations that may be found necessary for limiting the number of absentees.

All furlough on private affairs subject to the exigencies of the service.

NOTE.—It is therefore within the competency of local Governments and of the Commander-in-Chief to decline to forward the application of any officer whose absence would, in their opinion, be detrimental to the interests of the public service, until such time as arrangements can be made for removing the difficulty; and it is the duty of every head of a department to decline to forward any application for furlough, whenever the services of the officer cannot be spared without risking the efficiency of the department, any doubtful case being referred for the orders of Government.

Applications of officers who cannot be spared need not be forwarded.

VII.—The maximum amount of furlough on private affairs to be taken at any one time, carrying pay and retention of appointment, will be two years: any extension of such furlough will be without pay unless it is on medical certificate, see Rule XIII. (But see Notes (3) and (4) Rule IX.) And no extension on private affairs beyond two years will be granted, though without pay, except upon satisfactory evidence of very urgent necessity.

VIII.—A period of at least three years' service after return from last furlough, except furlough for a period not exceeding six months under Rule XI. (and excepting also, in the case of an officer in civil employ, *ordinary furlough not exceeding three months*) must be completed before furlough can again be taken, unless obtained under medical certificate (see Rules XIII. and XIV and Note 3 of Rule IX.).

Three years' service to intervene between two furloughs.

But an officer who may be *ordered* to return to duty before the completion of his furlough for the purpose of proceeding on field service may be allowed to take the balance of such furlough at any time.

Exception in cases of officers ordered out on field service.

NOTE.—An officer in civil employ cannot reckon in this interval of three years any period of absence from actual duty, excepting those spent on privilege leave.

IX.—An officer will be eligible for two years' furlough on the completion of eight years' actual service in India (see para. 6 of this order); for a third year after a further period of six years' actual service, and for a fourth and fifth year after similar intervals of six years, and so on, up to the maximum prescribed in Rule XVI. The grant of furlough to an officer eligible for it will be subject only to the conditions specified in Rules VI. and VII. But see notes to this Rule.

Period of service qualifying for furlough.

§ 2. No furlough, or extension of furlough, if *without pay*, will reckon as "furlough already taken" in calculating the balance at an officer's credit, as shown in Rule X. But furlough on private affairs under the Rules of 1796 will of course so reckon.

Furlough without pay *not reckoned as "furlough taken."*

§ 3. The fact of having taken furlough on medical certificate will not affect the grant of these furlough, within the conditions laid down in Rules VIII. and XVI.

How far previous furlough on medical certificate bars furlough on private affairs.

§ 4. If an officer appointed to any *duty* in England draws his Indian allowances, with or without any portion of his staff salary, he can count the period of such employment as service towards furlough; but if he is appointed to an office in England to which a fixed consolidated salary is attached, he cannot reckon the time of such employment as service towards furlough.

Service on duty *in England, how reckoned.*

NOTE (1).—But an officer of less than eight years' service in India may obtain furlough not exceeding two years, on medical certificate, with furlough pay and retention of appointment, provided he has been three years in the Staff Corps, or—in the case of a Royal Engineer officer holding a permanent staff appointment, or an officer not in the Staff Corps—has served for three years in India.

Furlough on medical certificate when on furlough pay.

NOTE (2.)—If the officer has not been three years in the Staff Corps or served three years in India, as the case may be, he will receive "English furlough pay" only, and must vacate his appointment, unless entitled to retain it under Rule II.

Furlough on medical certificate when on English furlough pay.

This rule and the proviso in Note 1, however, are not applicable to officers of the Indian Army who entered the new Line Regiments, or Royal Artillery, and subsequently the Staff Corps.

NOTE (3). Unemployed General Officers of the Staff Corps or local service can be granted furlough without serving the intervals of three and six years, respectively, prescribed in Rules VIII. and IX., and they can remain in Europe after they have exhausted the full period of furlough allowed during an officer's service by Rule XVI. (eight years on the whole) on the English furlough pay of their rank.

General Officers exempted from certain rules.

NOTE (4).—And a Major-General of the Staff Corps, if he has so much furlough at his credit, and proceeds to England within a year of his being promoted to that rank, or of his ceasing to be employed—can continue, after the expiration of the two years' furlough to receive half his Indian pay until he completes the period of three years during which he would be entitled to draw his Staff Corps pay if he were in India.

X.—An officer eligible for furlough need not take the whole amount to which his service entitles him, but may apply for any portion thereof as an instalment; and in that case the balance will remain at his credit in any future computation of the amount of furlough for which he may be eligible.

Furlough may be taken by instalments.

Illustrations.

1. An officer who has served nine years in India is entitled to two years' furlough: he takes only one year, and after his return remains in India for five years.

Furlough at credit, how determined.

He is then eligible for two years' furlough as follows:—

Total service in India	14 years
Furlough due on that service	3 ,,
Furlough already taken	1 year.
Balance for which he is eligible	2 years.

2. An officer who has served 20 years in India without taking furlough is entitled to four years' furlough. He can only take, however, two years at one time carrying pay, the balance remaining at his credit in any future computation of furlough to which he may be entitled. He can take that balance after completing three years' service from the date of his return from the first instalment.

NOTE.—An officer is said to have furlough at his credit,—even though he may not be able to obtain it owing to the number of absentees, or other causes,—when the calculation of his service, as in illustration 1 above, shows a "balance for which he is eligible."

*XI.—Furlough on urgent private affairs for six months on pay equivalent to the British regimental pay of his rank, may be granted when the officer has less than six months' furlough at his credit, or when from other causes, *e.g.* the number of absentees, or his not having served three years since his last return to duty, he is not able to take it. The said period may form part of the periods of either eight or six years referred to in Rule IX., and also—except in the case of an officer in civil employ, see Rule VIII. note—of the three years which are required to intervene between two periods of furlough by Rule VIII.

Furlough on urgent private affairs when granted.

This leave cannot be given in extension of furlough of any description. It cannot be extended beyond six months unless on medical certificate and on the same pay; in which case the officer will be deemed to have vacated his appointment, unless entitled to retain it under Rule II; the whole period will be reckoned in the maximum amount of furlough (8 years) allowed by Rule XVI., and no portion of it can form any part of the periods referred to in Rules VIII. and IX.

Extended beyond six months only on medical certificate, when its advantages are lost.

NOTE.—Ill-health is not considered as warranting furlough under this rule to any officer who under the provisions of these rules can obtain furlough on medical certificate without forfeiting his appointment.

XII.—Subject to State considerations, there will be no restriction as to the places to which an officer may resort during furlough. But, if he desires to spend in England the rest of a "furlough in India," or *vice versa*, he must obtain permission to do so from the Government of his Presidency, or from the Secretary of State for India, as the case may be; and on landing in either country, he must report his arrival accordingly to the Military Department of his own Presidency, or to the India Office, forwarding a copy of the permission granted him to change his destination. He must also communicate his address. An officer who, on his return to India, reports his debarkation, without forwarding *at once* a copy of the permission granted him to change his destination, or submitting an application for such permission, will be considered to have returned to his duty.

Special permission needed for change of residence from England to India and vice versâ *during furlough.*

Reports, &c., required.

XIII.—Furlough on medical certificate is obtainable as indicated in Notes (1) and (2) of Rule IX. and in Rule XIV. Absence on such furlough for a longer period than two years at one time will involve forfeiture of appointment. [But see exceptions in Rule II.] Furlough may, however, be extended on medical certificate up to a third year on "English furlough pay;" and an officer on furlough on private affairs, who may be obliged to obtain an extension on medical certificate, will be thenceforward entitled to the same advantages, and subjected to the same disadvantages as to retention of appointment, pay, &c., as if he had originally obtained furlough on medical certificate.

Consequence of extension of furlough on medical certificate over two years.

In the event of an officer not being able to return to his duty after an absence of three years, it will rest with the Secretary of State for India in Council to order him to appear before a Medical Board, with a view to placing him on the retired list, if entitled to pension, or on the half pay list.

If he exceeds three years' absence on medical certificate, the officer may have to retire or go on half-pay.

Should the circumstances of the case warrant a further extension of furlough, it can only be granted without pay.

Extension on medical certificate over three years to be without pay.

NOTE.—All officers, however employed, and whatever the amount of leave granted them may be, who leave India on sick certificate are required to produce a certificate of fitness for duty before they can be allowed to return.

Officers on medical certificate must be pronounced fit for duty before returning to India.

XIV.—An officer whose health may necessitate his taking furlough within three years from the date of last return from any furlough except that taken for a period not exceeding six months under Rule XI. (and excepting also, in the case of an officer on civil employ, *ordinary furlough not exceeding three months*), may obtain under the usual medical certificate, such amount as may be duly certified to be necessary for the restoration of his health; but he will receive only "English furlough pay," and must vacate any appointment he may be holding, unless entitled to retain it under Rule II.

Consequences of furlough on medical certificate taken within three years of last return.

§ 2. If, however, he shall have served three years since the date of his last return to duty, although there may be no balance of furlough at his credit, he will be entitled, on obtaining furlough on medical certificate, to retain his appointment and to receive "furlough pay," as laid down in Rule V., for the entire period not exceeding two years. Should the latter period be exceeded, he will come under the provisions of Rule XIII.

XV.—An officer entitled to furlough, or having a balance of furlough at his credit, whose health may necessitate his absence from India, must take the leave as furlough under Rule IX., but without forfeiting any passage-money to which he may be entitled under Military Fund Rules,—or, if a Subaltern, by Regulation, when proceeding on medical certificate.

"Furlough at credit" bars furlough on medical certificate.

§ 2. Should the officer be declared fit for duty before the expiration of two years, he may be granted extension on private affairs up to that limit, provided that he has so much at his credit, and that if he remains he will not be in excess of the established proportion of absentees. Any extension *on private affairs* of such furlough beyond the said period of two years, must be without pay.

Furlough on medical certificate when extended on private affairs.

§ 3. Any extension on medical certificate of furlough under § 1 of this rule beyond two years or any lesser period which may be at his credit under Rules IX. and X. will be regarded, in all respects, as furlough on medical certificate (Rule XIII.); and if the period of two years should not exhaust the balance of furlough at his credit under Rule X., the period or periods of extension shall be deducted from such balance till the latter is exhausted. On the aggregate of two years' leave being exceeded, the officer will come under the provisions of Rule XIII.

Furlough at credit must be exhausted before furlough on medical certificate can be given.

Total furlough with pay, &c., in an officer's service limited to eight years.

XVI.—The aggregate amount of furlough with pay and retention of appointment, on private affairs and on medical certificate, that may be granted to an officer during his service will be limited to eight years.

Furlough not reckoned in this period.

NOTE.—The following periods of leave, however, will not be reckoned in this period of eight years:—

§ 1.—Leave without pay.

§ 2.—Sick leave to Europe, or to the Colonies eastward of Cape under the Rules of 1796.

§ 3.—Leave taken under Rule XI. of these Rules, provided it be not extended over the six months. If it be so extended, the whole period will reckon as part of the eight years.

§ 4.—Leave necessitated by wounds or sickness contracted on active service, and any other leave which may be allowed by proper authority to reckon as service for pension.

§ 5.—In the case of an unemployed officer, periods of residence in England on English pay after promotion to the rank of Major General, or to the rank of Regimental Colonel in the Royal (late Indian) Artillery and Engineers, or after completion of tour of service as Inspector General or Deputy Inspector General of Hospitals, when the officer is no longer required to reside in India.

All other leave to Europe, or out of India for periods exceeding three months (see Rule XXVII.), including furlough on medical certificate under the Furlough Rules of 1854, will form part of the period of eight years.

Date from and to which furlough is reckoned.

XVII.—If taken in India, furlough will be reckoned from the date of the absentee's quitting his station to the date of his return thereto; if taken out of India, from the date of the sailing of the vessel in which he may have embarked, to the date of his *bonâ fide* disembarkation in India for the purpose of rejoining his appointment or Regiment: the date of embarkation (or of the vessel's leaving the Sandheads if from Calcutta) and that of disembarkation also, are included in the furlough.

NOTE (1).—As an illustration of this rule, it may be observed that a Madras officer's landing and reporting himself at Madras, *en route* to Calcutta to join his appointment in Bengal or the North-Western Provinces, &c., is not disembarkation in the sense intended by this rule.

Extension to cover excess over furlough how obtained.

NOTE 2).—To enable an officer who overstays his leave to obtain an extension, he should show that he took all needful precautions to insure his arrival in proper time, and if delayed by the departure of the vessel being deferred, he should obtain the certificate of the owner or agent that she had been *bonâ fide* advertised to sail from —— — on the ——— but that her departure had been delayed till the ———. See General Order No 52, dated 21st February, 1873.

Preparatory leave.

Limited ordinarily to 30 days.

XVIII.—Preparatory leave to embark for Europe or elsewhere on furlough will be granted for any period deemed necessary, not ordinarily exceeding 30 days. Leave up to the same limit, to enable him to rejoin on his return from furlough, will be granted from the date succeeding that of his disembarkation in India.

This applies equally to furloughs taken under Rule XI. The authority which has power to grant preparatory leave can, on due cause being shown, grant any necessary extension of it, but this can be done only on very sufficient reasons.

G. G. O. granting furlough has effect for three months only.

NOTE (1).—An officer obtaining a furlough on private affairs or medical certificate must embark within three months of the date of the General Order which notifies it, or take up the first portion of his furlough in India until he embarks; if not, the General Order will cease to have effect. The only exception to this rule that can be allowed is when the officer is prevented from embarking within the three months owing to his detention in India by proper authority on *bonâ fide* public grounds.

Detention when deemed a valid excuse.

If, however, the officer does not, within a reasonable time, avail himself of the furlough given him, his subsequently being placed on duty rendering his detention necessary will not exempt him from the rule; and in every case of such detention the officer must at once report it, and he is not to embark after the expiration of three months until he has applied for and obtained from the Government of his Presidency an extension of the period.

An officer serving out of his Presidency may embark from it.

NOTE (2).—Officers who may be serving in other Presidencies than their own, if they desire to embark *bonâ fide* for Europe from the latter, may obtain preparatory leave accordingly, and their furlough will reckon from the date of their embarkation at their own Presidencies.

Application for furlough, how submitted.

NOTE (3).—For full information as to the submission of applications for furlough, see G. G. O. No. 34, of 11th January 1869; G. G. O. No. 108, dated 26th January 1869; General Order by the Commander-in-Chief, No. 135, dated 11 June 1870.*

NOTE (4).—The allowances of Military officers in civil employ during preparatory leave, and after return to India until they rejoin their appointments, will be adjusted according to Civil Rules.

Leave preparatory to retirement.

NOTE (5).—Leave preparatory to retirement from the service does not reckon as service towards pension.

Pay issued monthly in India, quarterly in England.

XIX.—Furlough allowances are payable monthly if payment is taken in India, and quarterly if payment is taken in England.

Advances of furlough pay given in India only.

XX.—Advances of furlough pay will continue to be made in India to those officers who desire it for three months from date of embarkation. Payments in continuation will be made in England on the expiration of six months from that date. No advance is made in England to officers on their returning to duty.

XXI.—The last pay certificate issued to each officer who may be granted furlough, whether on private affairs or on medical certificate, will specify the rate of the pay and staff salary of his last substantive appointment, and the rate to which he will be entitled in Europe in virtue of Rule V.

Last pay certificate to show rate of furlough pay, &c.

XXII.—An officer acting in India for an absentee on furlough will be restricted for the entire period that he may so act to the half staff salary of the appointment in which he may be acting, in addition to the full pay of his rank, and the half staff salary of his own appointment, if he possess one. The staff salary granted to an acting officer will, however, in no such case be less than Rs. 100 per mensem.

A Warrant Officer acting for one of a higher grade on furlough receives half of the aggregate allowances of the absentee added to half of the aggregate of his own allowances.

*Periods of furlough, &c., counting as service towards pension.**

XXIII.—The privilege heretofore granted to Military and Medical Officers who had elected the Rules of 1854, of counting the proportion of leave noted in the margin as service for pension, is retained, and is applicable to those who elect these rules subject (in the case of officers under the Rules of 1796) to the condition laid down in § 4 of Rule XXXIV. The periods of service qualifying for pension remain unaltered.

20 ,, ,, 14 ,, ,,

Those who were promoted to warrant rank before that date, are allowed to continue if they prefer it, on the old rule, and reckon all leave in India as service, all out of India being deducted from their service, for pension.

XXIV.—In computing the furlough on private affairs to which an officer who has already enjoyed some portion of such furlough will be entitled, under these rules, it will be necessary to deduct the total amount of the furlough on private affairs of which he may have availed himself during his service from the total periods to which under Rule IX. he can lay claim. The balance within the limit of eight years' total furlough on private affairs and medical certificate laid down in Rule XVI., will represent the leave to which he will be entitled on the expiration of not less than three years from his last return to duty.

Furlough due, how ascertained.

Illustration.

(1).—An officer, who had obtained under the existing rules two years' furlough after ten years' service, returns to India on the date on which this order is promulgated. He accepts its conditions and serves four years longer in India. On the expiration of that term, he can take one year's furlough, thus—

Total service in India	14 years

(2).—An officer of four years' service has proceeded on sick certificate to England for 20 months, extended afterwards to two years. He returns, serves six years in India, takes two years' furlough, and returns to India about the time of the promulgation of these rules, which he accepts. He must serve four years before he can take an additional year's furlough thus—

Total service up to return from furlough.....	14 years.
Total service in India	10 ,,

CHAPTER II.

General Leave on Private Affairs and Sick Certificate in India.

XXV.—An officer will be eligible, as at present, to take leave on private affairs or sick certificate anywhere in India for any period not exceeding six months, at the discretion of His Excellency the Commander-in-Chief or of the Government under which he may be serving. During the entire period of his absence on this account the officer will be entitled, as at present, to his full pay and a moiety of his staff salary. Leave taken under this rule will form no part of the eight years' aggregate furlough. If this indulgence should be taken advantage of for a third year consecutively the officer will lose his staff appointment unless entitled to retain it under Rule II.

Leave on private affairs or medical certificate limited to six months.

Pay as heretofore.

If taken for a third year consecutively, staff appointment forfeited.

* Medical Officers also count 1 year and 8 months in 17 years' service.

Digitized by Google

XXVI.—Leave on sick certificate for a period exceeding six months, capable of extension, under renewed medical certificate, to a limit of one year, may be granted to any officer who, in the opinion of a Medical Board, may require it. Leave of this nature, taken after the promulgation of these rules, will be held to constitute a part of the maximum period of eight years' leave of absence to which an officer is entitled in his entire period of service, but will not be regarded as furlough, nor will it affect the intervals entitling to furlough laid down in Rule IX. During this leave the absentee will draw a moiety of his staff salary in addition to the pay of his rank. But if the 12 months be exceeded, the whole leave must be reckoned as furlough, and allowances be adjusted accordingly.

If extended to one year on medical certificate reckons in the eight years of Rule XVI.

If extended over one year, reckons as furlough.

XXVII.—Short leave, not exceeding three months, on private affairs or sick certificate, may also be taken to sea, on the above condition, but absence from India for any longer period will be treated as furlough.

Short leave (not exceeding three months) allowed heretofore.

XXVIII.—All general leave taken in India counts as part of the leave reckoning against service for pension.

CHAPTER III.

Privilege Leave.

XXIX.—Privilege leave may be granted, as at present, for sixty days in each year to all officers in military employ, without deduction from the salaries and emoluments drawn by them. General leave, in extension of privilege leave, can only be granted on the ground of sickness, or some other serious emergency which could not have been foreseen when the officer proceeded on privilege leave. Privilege leave may, however, be converted into general leave with the sanction of the Commander-in-Chief or the Government.

Limited to 60 days in each year.

When extended.

XXX.—In the case of the stations noted in the margin, privilege leave may, as at present, be granted for ninety days to officers of local Corps, or of Corps which are usually employed in one or other of the districts named.

Shillong.	*Khotra.*	*Rajampore.*
Erinpoora.	*Bunnoo.*	*Jacobabad.*
Deolee.	*Dera Ismael Khan.*	

XXXI.—An officer is at liberty to proceed wherever he may desire on privilege leave, provided he can ensure his return before the expiration of his leave.

No restriction as to place.

XXXII.—Privilege leave cannot be taken in continuation of furlough, nor can furlough be obtained in continuation of privilege leave. If furlough be obtained by an officer while absent on privilege leave, the privilege leave will be converted into general leave, the officer for that period sacrificing a moiety of his staff salary.

Must be apart from furlough or other leave.

Military Officers in Civil Employ.

XXXIII.—Those Military Officers (including Warrant Officers who hold Honorary, Veteran, or Unattached Commissions) in Civil or Political employ who may elect these rules when they take leave in India, come, as respect periods of leave obtainable and amount of pay to be granted, under the Civil Leave Rules. When they take leave out of India, they come under the Military Leave Rules.

For preparatory or subsidiary leave, see Note (4) of Rule XVIII.

Subsidiary Rule.

XXXIV.—Officers of the Indian Military and Medical services will be required generally to notify their intention to accept these rules or to adhere to those now existing, on the first occasion of their taking furlough or general leave after the publication of this order. Such election must be considered final, and under no plea whatever will an officer be subsequently relieved from the choice thus made.

Election of these rules to be final.

Fund subscription during furlough.

§ 2. Officers going home under these Rules will pay English rates of subscription only to the Military Fund.

§ 3. Officers who may determine to abide by existing Rules will be allowed to proceed on furlough on the conditions laid down in Rules VII., VIII., and XIII. to the extent to which they may be entitled under the Furlough Regulations of 1854 or of 1796, whichever of the two they may have elected, and on the rates of pay contemplated in those Regulations, but retaining their appointments. The principle laid down in Rule XV. must, however, be applied in those cases

Benefits allowed to those who elect existing Rules.

§ 4. If an officer under the Furlough Rules of 1796 elects the present Rules, his service for pension will be reckoned under the former Rules up to 1st July, 1868, and thenceforward under the Rules of 1868; and the fact of the officer having been on furlough on 1st July, 1868, and not then having elected the Rules of 1868, will not affect the case. All periods of leave out of Indian limits taken previous to 1st July, 1868, will be wholly excluded from his service for pension; but he may reckon towards pension periods of leave taken subsequent to that date, according to the length of his service counting for pension, as shown in Rule XXIII.

Previous service of officers under 1796 Rules how reckoned.

Retirement under 1796 Rules not affected.

His election of these Furlough Rules in no way affects his right to *retire* under the Pension Rules of 1796.

FURLOUGH AND LEAVE RULES.

30th December, 1875.

No. 1,316 of 1875.—Under instructions from Her Majesty's Government, the Right Honorable the Governor-General in Council is pleased to publish the following revised Furlough and Leave Rules applicable to the Staff Corps and Indian Local and Medical Services.

1. Officers included in Schedule A may receive, after five years' service in India or under the Government of India, one year's furlough, and an additional year for each subsequent five years' service. Furlough not taken at the time it becomes due is not lost, and can, subject to these rules, be taken later.

2. An Officer may receive at any time any portion of the furlough to which he is entitled; but, except under Rule 8, he may not be absent from duty on any ground for more than three years consecutively; nor, on return from furlough, may he receive, except under Rule 6, any further portion of the furlough to which he is entitled until after the interval of two years.

3. It must be distinctly understood that furlough is subject to the exigencies of the public service. Officers commanding regiments, and Heads of Departments, will forward no application for furlough unless able to satisfy the superior authorities that the Officer's services can be spared without any inconvenience to the public service.

4. Furlough does not involve forfeiture of appointment, may be spent anywhere, and counts as service for pension.

5. An Officer on furlough receives (up to, but not beyond, the sum of £1,000 a year) half the emoluments of his office, computed according to a rate of exchange to be fixed in each year by the Secretary of State; but in any case he does not receive less than £250 a year. The emoluments of his office include all pay, staff corps pay, staff salary, and Indian allowances he would receive in respect to it if he were on duty, and for the purpose of each payment his office is the office he fills on the day when that payment becomes due.

6. Upon certificate of a Medical Board, an Officer not entitled to furlough, if he has served not less than two years in India, may receive it for any period not exceeding two years; but such furlough will be deducted from his next accruing furlough until it is paid off. An Officer will not be allowed to anticipate furlough under this rule to an aggregate amount to more than two years.

7. An Officer who has exhausted the furlough obtainable under these rules, and who may be certified by a Medical Board to be still unfit for duty, will be placed temporarily or permanently on half-pay, according to the circumstances of the case.

8. Under very urgent circumstances special furlough may be granted for private affairs, which need not be paid back; but it will be in all cases without any kind of pay, and will not count for pension.

9. Advances for passage money, on need shown, will be granted to Officers on furlough, to be recovered in manner specified at the time of the grant; in India, at the discretion of the Local Government; and in England, at the discretion of the Secretary of State.

10. Leave may be granted for any period not exceeding six months at a time, and may not, except for very urgent reasons, to be specially reported to the Government of India, be renewed till after six months have elapsed from its expiration. It must be spent at some place east of the 40th degree of east longitude. Subject to these conditions, it may be granted or refused entirely at the discretion of the local authorities, who in granting it shall fix its duration, and may fix the limits within which it shall be spent, and whether during its continuance half-pay and allowances are to be deducted for the payment of a substitute; and they may grant it as preparatory to furlough, or for the purpose of a medical examination. Leave counts as service for pension and furlough. The local authorities shall be defined for the purpose of this rule by the Government of India.

11. Leave and furlough are reckoned from and to the close of the days named in the order granting them.

12 The position of Officers not included in Schedule A will be unchanged as respects leave or furlough.

13. Officers now in the service placing themselves, from a given date, under these rules, shall count service for pension up to that date under the rules to which they were then subject.

SCHEDULE A.

Officers entering the Staff Corps or Indian Medical Service, and Warrant Officers attaining that rank, after the 31st December, 1875; and

Any other officers, Commissioned or Warrant, belonging to the Indian Army or Medical Service, or Officers of the Staff Corps, who, after the 31st of December, 1875, shall, before asking for leave or furlough, apply in writing to their Local Governments to be placed definitively upon this Schedule; but their service for furlough under Rule 1 shall commence from the date of such entry or such application respectively.

Any Officers in civil employment declared by the Government of India to be under civil leave rules shall not be under these rules.

*** The last pay certificate issued to an Officer to whom furlough or leave has been granted shall state the pay to which, under Rule 5, he is at that date entitled in respect to the office he is holding, noticing the date, if any fixed, at which he will vacate it.

With advertence to the foregoing rules, the Right Honorable the Governor-General in Council is pleased to notify—

I. That no "extra or special allowances" drawn by an officer, which are now excluded from the account in calculating furlough pay under the Rules of 1868, can be reckoned in calculating furlough pay under these Rules (Rule 5).

II. That the Governments of the three Presidencies, or their Excellencies the Commanders-in-Chief, in regard to Officers serving directly under them, shall be held to be the "local authorities" named in Rule 10.

III. That, pending further orders, a Staff Officer granted leave under Rule 10 shall receive, as heretofore, the pay or staff corps pay of his rank, and half the staff salary of his appointment during such leave; but full staff salary may be allowed him for the first two months (as now during privilege leave) when he makes approved arrangements for the performance of his duties during that period. In such cases the Government Officer granting the leave must state that the first two months are to be on full staff pay.

N.B.—It is distinctly to be understood that the rule regarding the pay to be drawn on leave under para 10 is liable to be modified at any time in any way that the Government of India may deem expedient.

IV. Pending further orders these rules are not applicable to any Officer in civil employ.

FURLOUGH REGULATIONS.

No. 1,120 of 1876, dated Oct. 27, 1876—The Hon. the President in Council is pleased to notify the following rulings and decisions which have received the approval of the Right Hon. the Secretary of State for India, on certain points in the furlough rules of 1875, published in G. G. O. No. 1,516 of Dec. 30, 1875 :—

On Rule 6.—An officer of less than two years' service, from date of coming under the new rules, falling sick, will be sent to England on medical certificate, on English furlough pay, subject to the decision of H.M.'s Government as to his ultimate disposal; a special report on each case being submitted to H.M.'s Government by the Government of India, or in the case of officers of the Madras or Bombay army by the Governments of those presidencies.

On Rule 8.—The amount of leave which may be granted under this rule will be restricted to such period as the Government granting it is satisfied is actually necessary with reference to the urgency of the case.

On Rule 13.—An officer takes with him so much service for pension as he had become entitled to under former rules. Under the rules of 1854 and 1868, two years' leave in twenty years' service counts for pension, but in periods of less than twenty years no leave counts. Therefore, if an officer now under the rules of 1854 or 1868, of twenty years' service, with two years' leave, elects the present rules, his service for pension will be twenty years'; if an officer of nineteen years' service, with the same amount of leave, elects these rules, his service for pension will be seventeen years' only.

On Schedule A, Clause 1.—The date of entry into the Staff Corps is that of entry for choice of furlough rules, viz., the date on which the officer was originally appointed on probation. An officer therefore whose date of admission to the Staff Corps is not after Dec. 31, 1875, will have the choice of rules, but an officer whose date of admission is after that date will have no option.

On Schedule A, Clause 2.—An officer coming on this schedule having furlough to his credit under previous rules, forfeits such furlough absolutely, he being required to serve five years from date of applying to be placed on the schedule before he can take one year's furlough, unless it be sick furlough under Rule 6. INDIAN STAFF CORPS.

ROYAL WARRANT FOR THE FORMATION OF THE CORPS.

VICTORIA R.

WHEREAS it is expedient to provide a body of Officers for Our Service in India, by whom various offices and appointments hitherto held by Officers borne on the strength of the several Corps or Regiments of Our Forces in India shall in future be held; and whereas Our Secretary of State for India in Council has resolved to charge upon the Revenues of India the sum necessary to provide the pay, half-pay, and pensions of such body of Officers on the scale hereinafter contained, Our will and pleasure is that a Corps be formed in each of the Presidencies of Our Indian Dominions, to be denominated the Bengal, Madras, and Bombay Staff Corps respectively, to consist of such Officers as may be required for such employment, and are selected for such purpose by Our Governments in India, with the approbation of Our Secretary of State for India in Council.

It is also Our will and pleasure that all Officers now holding, or who immediately before the commencement of their present unexpired Furlough may have held such appointments, and in future Officers belonging to any of Our land Forces serving in India, under the rank of Regimental Field Officer, who shall have served three years with a Regiment, of which two shall have been in India,* shall be eligible to enter such Staff Corps; but such Officers will not be permanently transferred to the Staff Corps unless fully qualified, and until they shall have passed such periods of probation as may be determined on for the branch of the Indian Service for which they may be selected. Officers will receive Commissions in the Staff Corps on their names being submitted to us by Our Secretary of State for India.

It is Our further will and pleasure that the promotion and pay of the Staff Corps shall be regulated as follows:—

1. Ensigns, when permanently transferred to the Staff Corps, to have the rank of Lieutenant. Other Officers to have the rank which they may hold in their Regiments.

2. Promotion in the Staff Corps to be governed by length of service.†

Officers after twelve years' service, of which four must have been in the Staff Corps, to become Captains.

After twenty years' service, of which six must have been in the Staff Corps, to become Majors.

After twenty-six years' service, of which eight must have been in the Staff Corps, to become Lieutenant-Colonels.

Five years' service in the Staff Corps as Lieutenant-Colonel to entitle the Officer so employed to the Brevet rank of Colonel.

3. Officers now in Staff employment in India, joining the Staff Corps on its formation, shall count their previous Staff service towards promotion to the following extent:—

One step of rank will be given to every Officer whose period of service would qualify him for it according to the above Rules. An interval of two years at least must intervene between each succeeding step.

4. Officers in the Staff Corps will be eligible for Brevet rank in common with the rest of the Army.

5. Officers of the Staff Corps holding Military appointments will take Military Command according to their Army rank, but Officers whilst holding only Civil appointments will not be entitled to assume such Command.

6. Exchanges may be allowed between Officers of the Staff Corps under the substantive rank of Field Officer and Regimental Officers of the same rank on the recommendation of the Indian Governments. Officers of the Staff Corps exchanging into a Regiment will become the Juniors of their Regimental rank.

7. The power of removing Officers from the effective List of the Staff Corps will be exercised by us through Our Secretary of State for India.

8. Officers of the Staff Corps will receive pay according to the following scale:—

	Whilst required to remain in India.				Out of India.

Lieutenant	225	12	0	,,	0	6	6	,,

Every Officer when in active employment will also receive, in addition to the above pay, such a sum as will make his total pay and allowances up to the sum assigned by the Governments in India, with the approval of the Secretary of State for India in Council, as the consolidated pay of the office which he may hold. Eventually a certain proportion of the senior Officers of the Staff Corps will receive Colonel's allowance.

* This portion of the Royal Warrant has been revised by another Royal Warrant, dated 2nd May, 1868, which declares that—"Our will and pleasure is that from and after the date of this Our Warrant, Officers of Our Land Forces serving in India, under the rank of Regimental Field Officer, who shall have served two years with a Regiment, of which one shall have been in India, shall be eligible to enter the Bengal, Madras, or Bombay Staff Corps."

† The periods of four, six, and eight years must be passed in the Staff Corps *in India*.

‡ NOTE.—In order to entitle a Staff Corps Officer of the rank of Major-General to the unemployed pay mentioned in the Royal Warrant for that rank, he must have actually served not less than five years in the substantive rank of Field Officer—the above five years being inclusive of any time he shall have been obliged to pass upon half-pay or leave in consequence of ill-health contracted in the service (as established by a Board of Medical Officers), or in consequence of wounds received in action.

An Officer of the Staff Corps promoted to the rank of Field Officer by Brevet for service in the field, who shall continue to serve uninterruptedly on full pay from the date of his promotion by Brevet to the date of his obtaining the rank of Major-General, is entitled to the unattached pay of that rank, notwithstanding he may not have served five years, with the regimental rank of Field Officer with a regiment, or in one of the situations specified in Clause 8 of the Royal Warrant of 31 Jan., 1859.

10. Officers of the Staff Corps in England who may not wish to retire, but who are unable to return to India, and Officers removed from the effective List who may not be entitled to retire on the above scale of pension, will be placed on a half-pay list, provided they have served three years in India in the Staff Corps on the same rate of half-pay and on the same conditions as Officers of a similar rank in Our Army.

11. It is also Our will and pleasure that this Warrant shall be administered and interpreted by Our Secretary of State for India in Council, who shall be the sole and standing Authority upon the matters therein contained.

Given at Our Court at Windsor, this Sixteenth day of January, 1861, in the Twenty-fourth year of Our Reign By Her Majesty's Command, (Signed) CHARLES WOOD.

CONDITIONS OF APPOINTMENT OF BRITISH OFFICERS TO THE STAFF CORPS.

Unless for special applicants, whose cases will receive separate consideration, each on its own merits, it is deemed inexpedient to admit Officers of Her Majesty's British Army to the Staff Corps, whose standing in the service exceeds seven years, or thereabouts.

The selection of Officers for the Staff Corps rests with the Governments in India. The promotion of Officers while on probation will go on in their respective regiments. Officers of the British Army, when permanently transferred to the Staff Corps, will be removed from the strength of the regiment to which they belonged. It is discretional with the Governments in India to employ the Officers of the Staff Corps, in such manner as they may think best, in the situations for which their respective qualifications may render them most fitted. The appointments and promotions in the several departments rest with the Governments in India, and will be made irrespectively of the rank which the Officers may hold in the Staff Corps.

Officers of British regiments which may be ordered home and embark before the completion of their period of probation may, with the sanction of the Government of the Presidency, be allowed to remain in India to complete that period.

Officers of Her Majesty's British Regiments are eligible for appointment to the Staff Corps of any Presidency, without reference to the Presidency in which their regiments may be serving, and they will be permitted to serve out their probation without reference to their regiments being in the meantime moved to another Presidency.

Application for admission to the Staff Corps, on probation, should be made to the Government, through, and with the sanction of, the Commander-in-Chief of the Presidency, and that of the Commander-in-Chief in India.

A candidate for appointment to the Staff Corps, on probation, must produce the following certificates of his Commanding Officer and the Surgeon:

Certificate of Commanding Officer.

Certified that of the regiment
a candidate for the Staff Corps, completed two years' duty with a regiment on the
, one year of which (or the whole period of which, as the case may be), was spent in India.
has passed the examination in the Native languages by the higher (or lower) standard, and has attained such a knowledge of his drill and duty as an officer of infantry (or cavalry) in all its branches as to qualify him for the command of a company (or troop) in all situations. He also possesses a fair knowledge of the Articles of War and of the Queen's Regulations, as well as of the Military Regulations of the Bengal (Madras or Bombay) Presidency, besides having gained some general acquaintance with the organization and nature of the duties of all branches of the army serving in Bengal (Madras or Bombay).

I further certify that during the period has served with this regiment, he has been attentive to his duty, and that his conduct has been in all respects unexceptionable.

Station and date. *Commanding Regiment.*

Surgeon's Certificate.

I certify that, to the best of my belief, is in good bodily health, and apparently well capable of undergoing the vicissitudes of service in India.

Station and date. *Surgeon Regiment.*

The date of transfer of an Officer to the Staff Corps will be that of his appointment on probation, except in the case of an Officer who has gained promotion in his regiment during his period of probation; in that case, he is allowed to enter the Staff Corps from the day following his promotion, with the rank then gained.

Except under very special circumstances, the period of probation will be limited to one year,† at the end of which the candidate, if not qualified for admission to the Staff Corps, must be remanded to his regiment; and should his regiment be in England, he will be put on British pay from the date of failing to pass the final examination. If possible, he will be provided with a passage in a troop ship, but if none be available, then the actual expense of the passage, and no more, will be paid to the agent of the vessel conveying the Officer to England. In no case will the period of probation exceed a second twelve months.

---

* See page xxxiv.

† All leave, except privilege leave and leave to pass in the Native languages for admission to the Staff Corps, will be excluded from the year's probation.

SALARIES OF STAFF OFFICERS.

A British Officer, on probation for the Staff Corps, proceeding on leave to Europe, is to be held to have resigned his probationary position and appointment. Should an Officer so circumstanced be placed on the half-pay list, he will cease to be considered as a probationer.

A probationer for the Staff Corps may at any time be allowed to withdraw his application, provided that he has not been actually admitted to that Corps by the Government in India.

As a general rule, a young Officer, on becoming a probationer, is appointed to do duty with a Native regiment.

On the completion of the year's probation, the candidate must produce certificates from his Commanding Officer (or the Officer under whom he has served) and from the Surgeon, similar to those obtained at the commencement of his probation; and he must pass an examination in the following tests, according to the nature of the duty or department in which he is to be employed.

On special grounds, but only when required for the convenience of the public service, examinations may be held at any time within two months of the expiration of the probationary year.

Should he be found qualified, he will be admitted to the Staff Corps, and to the appointment or department for which he has proved his fitness. The circumstance of an Officer being in the Staff Corps will not exempt him from passing departmental tests, should he be transferred from one appointment or department to another.

Officers of Line Regiments, in which the purchase system was in force up to the 31st October, 1871, who entered the service prior to the 26th August, 1871, and whose permanent appointment to the Indian Staff Corps shall appear in the General Orders of one of the Local Governments of India, on a date subsequent to the 15th March, 1868, and who, on the date of such permanent appointment (being the date of appointment as probationers for the Staff Corps), shall not have exceeded four years' service on full pay, from the date of first Commission, shall receive, on their names appearing in the "London Gazette" as finally transferred to the Staff Corps, the exact sum such Officers would have received, under War Office Regulations, had they retired from the service by the sale of their Commissions at the time of joining the Staff Corps as probationers.

Officers who have been appointed probationers subsequent to the 31st October, 1871, will be required to make and sign the declaration laid down in para. "C," clause 139, sec 4 of the Queen's Regulations.

The young Officers who, on final transfer to the Staff Corps, may receive the value of their commissions, will, if appointed probationers on or after the 1st of July, 1870, be debited with the cost of their successors' passage to India, in the same manner as other Officers who are allowed to retire from British Regiments in India with the value of their commissions.

Officers who are entitled to the value of their first commissions should apply for it to the agents of the regiment to which they formerly belonged.

Officers who desire to enter the Staff Corps under the provisions of the General Order from the Horse Guards, dated the 1st of May, 1868, must make their applications in such time as will admit of the requisite forms being complied with before the completion of their four years' service, as the Government cannot be responsible for any accidental delay, and applications for special consideration will not be received hereafter.

Officers joining the Staff Corps from the British Army must furnish a statement of their services duly vouched by their late Commanding Officers, showing in detail their actual service in India, and the periods of leave during such service, computed to the date of their transfer to the Staff Corps.

No Officers while away from their regiments as probationers for the Indian Staff Corps shall be permitted to retire from the service by the sale of their commissions, but such officers will still be eligible for such promotion in their regiments as may occur whilst they are probationers by or without purchase.

The claims to pension of widows and families of officers of the Staff Corps who may join from the British Army will be treated under the provisions of the Royal Warrant of the 27th December, 1870, or of such Royal Warrant regulating the grant of pensions to the widows and families of British officers as may be in force at the time being.

REGULATIONS FOR THE PROMOTION OF INDIAN OFFICERS SO FAR AS RELATES TO RANK IN THE ARMY.

VICTORIA R.

WHEREAS it has been represented to Us that it is expedient to make further Regulations for governing the Promotion in the Army of the Officers of Our Indian Forces, Our will and pleasure is, that the Regulations annexed to this Our Royal Warrant be established, and be the sole Regulations under which the Promotion in the Army of such Officers shall be effected.

Given at Our Court at Windsor this 21st day of December 1871, in the Thirty-fifth Year of Our Reign. By Her Majesty's Command, ARGYLL.

1. Field Marshals shall be appointed at the will of the Sovereign, and the rank shall be conferred without reference to seniority.

2. The names of General Officers shall be borne upon three separate lists. The first shall contain the names of those on the fixed establishment; the second, those who having been promoted out of their regular turn are supernumerary to the fixed establishment; and the third, those who have retired from the service with the honorary rank of general officers.

3. The fixed establishment of General Officers shall be the following:—

Generals - - - - - -	33
Lieutenant-Generals - - - - -	53
Major-Generals - - - - -	87
Total -	173

4. Promotion on the establishment from the rank of lieutenant-general to that of general, and from the rank of major-general to that of lieutenant-general, shall be made as vacancies occur, according to seniority, subject however to the provision laid down in the last paragraph of clause 11.

5. Every vacancy on the establishment of general officers shall be filled by the promotion of the senior colonel, subject to the provision in the last paragraph of clause 11, or by the transfer of a general officer from the supernumerary list as provided in clause 8.

6 Temporary rank and command as general, lieutenant-general, or major-general, may for the convenience of Our service, be conferred, without regard to seniority, on lieutenant-generals, major-generals, or colonels respectively; and if the officer during the continuance of such temporary rank and command shall have conducted himself to Our satisfaction, the rank so held may, upon the recommendation of Our Governor-General in Council, be converted into permanent rank after having been held for five years in time of peace, or for any shorter period in the field during war. A colonel who shall vacate an appointment as temporary major-general and whose temporary rank shall not have been made permanent, may, upon the recommendation of Our Governor-General in Council, be made an honorary major-general, and shall retain that rank until he succeed to the establishment in virtue of his seniority on the list of colonels.

7. Promotion may be conferred upon a lieutenant-general, major-general, or colonel, without regard to seniority, for distinguished service in the field, and in such case the recommendation of Our Governor General in Council, detailing the services for which the officer is promoted, shall be published in the General Orders of Our Indian military forces, and in the "London Gazette."

8. An officer not below the rank of colonel, promoted after temporary service in a higher rank, or for distinguished service in the field, shall be borne as supernumerary, and shall not be placed on the establishment in his new rank until the time when he would have attained such rank by seniority; that is to say, when the surviving officer who stood next senior on the list to the officer promoted under clause 6 or 7, shall have attained the same rank on the establishment, the next vacancy shall be filled by the transfer of the supernumerary general officer to the establishment.

9. A supernumerary major-general, who has been promoted after temporary service and absorbed, under clause 8, into the establishment, shall have seniority according to the date of his permanent rank as major-general and shall rise to be lieutenant-general, and general, whether before or after his absorption into the establishment, in accordance with that seniority. A supernumerary general officer who has been promoted for distinguished service in the field, and absorbed under clause 8, shall take his seniority from the date of his promotion as published in the "London Gazette."

10. The officers of the Staff Corps on the Indian List having been transferred to the general list of the British army according to the regulations contained in clause 39 of Our Royal Warrant of the 27th of December, 1870, their names shall be retained on the Indian List in italics, until their death or retirement, for the purpose of regulating the promotion of the officers below them on that list.

11. On the occurrence of a vacancy in the fixed number of General Officers on the Indian List, specified in clause 3 of this Warrant, whether among those who remain effective on that list, or among those whose names are merely retained in italics, and who shall be considered as forming part of the said fixed establishment, the name of the senior officer in each grade on the Indian List below that in which the vacancy may occur (with the exception of the grade of lieutenant-colonel), shall be moved up to the next higher grade; but in the case of the officers whose names remain in italics, there shall be no actual promotion, the arrangement being limited to the transfer of the names for the purpose of regulating the promotion of those officers who remain effective on the Indian List; and the promotion of an effective colonel on the Indian List to the rank of major general shall in no case be affected by casualties among the general officers of the staff corps, until the number of general officers to be added to the British Establishment under clause 24 of Our said Royal Warrant of the 27th of December 1870, shall be complete.

12. The rank of brigadier-general shall be local or temporary only.

13. A lieutenant-colonel may attain the rank of colonel—

Messrs. GYE & MONCRIEFF'S

GUN MANUFACTORY,

60, ST. JAMES'S STREET,

LONDON, S.W.

Mr. LIONEL GYE (*Late Lieutenant, Royal Artillery*) and Mr. LYNEDOCH MONCRIEFF (*Retd. Commander Royal Navy*), associated themselves in 1874 for the purpose of supplying a want felt by purchasers of every kind of fire-arm, *viz.*, a scientific surveillance and investigation of the materials and workmanship of the weapons and the many articles connected therewith, and they established their business for the production of guns, rifles, pistols, &c., which should not only be free from the faults so often found, *but should be at a much lower price than that usually charged for the same quality.*

For the weapons they have built, many of which were specially designed by them for the shooting in America, North and South Africa, Abyssinia, India, &c., &c., they have received the highest praise.

Messrs. GYE and MONCRIEFF do not confine themselves to the manufacture of one quality of weapon only, but make every description, and at many different prices, with the exception of such as are not trustworthy or thoroughly efficient.

They also supply ammunition of every kind, cartridges, cartridge cases, &c., and all articles requisite for shooting, carry out alterations, repairs, &c., and undertake every detail connected with fire-arms.

A certain number of guns, rifles, and pistols, finished and ready for immediate use, as well as others in various stages of manufacture, are always to be found.

Messrs. GYE and MONCRIEFF made a strict rule when commencing their business, to which they are obliged to adhere, *viz.*,—"That all accounts shall be paid within a month, unless "otherwise specially arranged at the time of purchase."

Hours:—10.30 A.M. until 6 P.M., except on Saturdays, when they are from 10.30 A.M. until 2 P.M.

Messrs. GYE & MONCRIEFF build

Guns	...	...	...	...	from	£10	to	£50
Double Rifles	...	...	...		„	£40	„	£60
Single „	...	...	...		„	£5	„	£30
Pistols	...	...	...	..	„	£2	„	£10

In addition to the above they build special Guns and Rifles for rough work, or for Colonial use at much lower prices, including a particularly good and reliable Double Express at £30.

Messrs. GYE and MONCRIEFF will forward on application details of prices of any other requisite for shooting, or cost of repairs and alterations.

RELIEVO MAP OF ASIA.

On a Scale of 420 Miles to the Inch.

With a Representation of all the Uneven Surfaces Modelled on a Scale Thirty-two to the Horizontal one.

BY

HENRY F. BRION.

MR BRION, whose Relievo Map of India we had the pleasure to notice some time ago, has now published a Relievo Map of Asia on a scale of four hundred miles to the inch, while the hilly parts are wrought on a scale thirty-two times that of the plane surfaces. This difference of scale serves of course to bring out into clearer relief the comparative heights and undulations of the hills and mountains which cover so large a part of the great Asiatic Continent. The advantages of such maps are so obvious that we need only recommend this one to the study of those persons whose fear of Russia leads them to look on Merv as next door to Peshawar.—"*Allen's Indian Mail.*"

LAMPLOUGH'S

PYRETIC SALINE.

PROVED TO BE THE BEST PREVENTIVE OF

SMALL POX & FEVERS.

It is the most agreeable, VITALIZING, and REFRESHING of all Salines, and gives instant relief in HEADACHES, SEA or BILIOUS SICKNESS; it quickly cures the worst forms of Eruptive or Skin Complaints. The various diseases arising from Constipation, Climatic Influence, the Liver or Blood Impurities, Inoculation, the Results of Breathing Air Infected with FEVERS, MEASLES, or SMALL-POX, ARE CURED AND PREVENTED BY ITS USE.

Taken as a morning or evening draught, it is most agreeable, invigorating, and cooling; it removes Bilious Affections, Heartburn, and Acid Eructations in a marvellous manner.

"It will cure the worst form of Ordinary or Sick Headache in Ten Minutes."

DR. PROUT characterised its discovery as "unfolding germs of immense benefit to mankind." The late DR. TURLEY states in a letter, "that in the worst cases of Scarlet and Typhus Fevers, he found it in his experience and family to act as a specific, no other medicine being required."

RAWUL PINDEE, PUNJAB, INDIA, 28th March, 1871.

"On the recommendation of several officers, who had some of your Saline in the West Indies, all of whom speak in the highest terms of it, we were induced to try it for the first time in this Province. Solely from the ascertained merits of your preparation, after use in the *Fever-stricken districts* by which we are surrounded, we firmly believe that the use of your Pyretic Saline will do more to PREVENT fever than all the Quinine ever imported can cure. We write thus strongly, because both from personal experience and observation, we believe we have at length found a *remedy* against the ever present fevers of these parts, which cost the *British nation hundreds of valuable lives* in Peshawur alone. We are now willing to enter into special terms for large and continued supplies, etc."

Important to Travellers. English Ministers, British Consuls, and Europeans seeking to reside in safety in Tropical and Foreign Climates. Her Majesty's Representative, the Governor of Sierra Leone, in a letter of request for an additional supply of the Pyretic Saline, states:—'It is of great value, and I shall rejoice to hear it is in the hands of all Europeans visiting the Tropics."

Sickness, Headache, and Nausea are in most cases immediately relieved by taking a teaspoonful in a tumbler of cold water. This can be repeated once or twice in two hours, if needful.

Sea Voyages.—It is a very valuable accompaniment, and should on no account be omitted; it instantly allays the sickness.

For Bilious Constitutions, giving rise to Vitiated Secretions, Indigestion, and Eruptions on the Skin, a teaspoonful should be taken daily with the dinner, in a tumbler of water, and the same quantity on going to bed.

In Measles, Scarlet, Jungles, Typhus, or Gastric Fevers, and Eruptive Diseases, it should be given in teaspoonful doses every four hours, in a glass half full of water, or with an increased quantity of water if the patient suffers from thirst. If accompanied with sore throat, or enlarged glands, well rub into the part strong hartshorn and oil until redness is produced.

The late DR. TURLEY, of Worcester, stated he found this Saline a specific in these diseases, no other medicine being required. Persons at a distance from medical aid would do well to have such simple remedies by them.—*Illustrated News of the World.* This method had been found successful in every instance in which it has been used.

Heartburn and Inward Fever.—One teaspoonful should be taken in half a glass of water, and repeated if needful.

CAUTION.—The great reputation of this remedy having called forth SPURIOUS IMITATIONS, whose only merit is a transposition of the words of my label and wrappers, without any of the *health-restoring properties*, it is needful to observe MY NAME AND TRADE MARK AS ABOVE, on a BUFF-COLOURED WRAPPER, WITHOUT WHICH THE SALINE CANNOT BE GENUINE.
